Young Harris College Accel Policy

High school juniors and seniors are eligible to attend Young Harris College as dual-enrollment students under the Accel Program. It is recommended that applicants have at least a 3.0 academic GPA and 970 SAT (math/critical reading) or 21 ACT composite, though other candidates will be considered based on the recommendation of the high school counselor.

**Application Procedure**

The following items should be completed and submitted in order to be considered for admission:

- YHC Application for Admission (available at www.yhc.edu)
- Official SAT and/or ACT scores
- Official high school transcript
- Accel Agreement and Accel Planning Sheet (available at www.yhc.edu)

The deadline to submit all application materials for fall semester is April 1; deadline for spring semester is October 1. Application materials should be sent to the Office of Admissions at PO Box 116, Young Harris, GA 30582.

**Program Costs**

All students who are accepted into the program will be required to pay a $100 deposit before registering for classes. Accel students who commute to campus will incur no tuition charges to participate in the program, but will be responsible for required class materials and the following mandatory student fees:

- **Campus Fee**: $660 ($330/semester)
- **Parking Fee**: $180 ($90/semester)
- **Green Fee**: $5/year

*Please note that these fees are not final and are subject to change. The campus fee and parking fee are paid prior to the start of each semester; the green fee is paid once per academic year.

**Non-Approved Classes**

Students who wish to take classes not covered under the Accel program may do so, but will be charged part-time tuition at a 50% discount, plus aforementioned fees. As these classes will not count toward high school graduation requirements this must be approved in writing by the high school counselor. A directory of approved Accel courses is available at www.gacollege411.org.

**Full-Time Resident Students**

Accel students who wish to attend YHC full-time and reside on campus will be eligible for academic scholarships offered by the college and will incur the same costs as traditional residential students, including a $300 resident student deposit.
